From the first moments we climb into our boat on the Pirates of the Caribbean ride singing, “It’s a pirates life for me,” or view those wondrous opening frames of any of the Pirates’ movies, we are captivated by the spirit of adventure mixed with romance. It’s a fun adventure filled with memorable moments. Captain Jack Sparrow makes his grand entrance as his ship slowly sinks in the harbor of a portside town. A mischievous mutt can be seen taunting pirate prisoners. Will and Elizabeth are fighting pirates back-to-back while resisting the inevitable pull of true love.

In **Pirates of the Caribbean**, *The Curse of the Black Pearl*, the Thomas Kinkade Studios celebrate these iconic characters and films, which so vividly remind us of a life of passion and adventure.
